

## **TELC GROUP LAUNCHES SPOKEN ENGLISH CLUBS IN NARNOOR BLOCK**

In a significant step towards enhancing English language skills among students, the Telangana Education Leadership Collective (TELC), in collaboration with ITDA Utnoor and several esteemed organizations including Mantra4Change, Alokkit, Shikshalokam, Vidhya Vidhai, and Bharat Dekho, has launched the Spoken English Club initiative in Narnoor Mandal schools. This program, which is part of a broader effort to improve educational outcomes across the erstwhile Adilabad district, will focus on students in grades 3-8 for the 2024-2025 academic year.

### **Empowering Students Through English:**

The primary goal of the Spoken English Club is to enhance English speaking skills among students, providing them with the confidence and ability to communicate effectively in English. Recognizing the importance of English proficiency in today's globalized world, this initiative aims to equip students with the necessary language skills to succeed academically and professionally.

### **Orientation Program for Teachers:**

To ensure the successful implementation of the Spoken English Clubs, an extensive orientation program was conducted for English teachers, including both Secondary Grade Teachers (SGT) and School Assistants (SA), from various schools across Narnoor Mandal. The orientation,

held at the PMRC in Uttoor, provided teachers with the tools, resources, and strategies needed to effectively teach and support students in their English language development.

### **Role of Administrative Staff:**

In addition to teachers, administrative staff will also receive orientation to support and monitor the program. Their involvement is crucial in ensuring that the Spoken English Clubs run smoothly and that teachers have the necessary support to implement weekly activities effectively.

### **Structured Weekly Activities and Monitoring:**

The Spoken English Clubs will follow a structured approach, with weekly activities designed to engage students and improve their English speaking abilities. These activities, guided by the comprehensive TELC framework, will be conducted by trained teachers who will receive regular support and monitoring from Head Masters, PMRC staff, and TELC members. This collaborative approach will ensure that the program is implemented effectively and that any challenges are promptly addressed.

### **Regular Assessments for Continuous Improvement:**

To track the progress of students and ensure that the program is achieving its goals, assessments will be conducted every two months. These evaluations will provide valuable insights into the

effectiveness of the Spoken English Clubs and allow for any necessary adjustments to be made to enhance the learning experience. First baseline test is being conducted on 12<sup>th</sup> August.

### **A Promising Future for Students:**

The Spoken English Club initiative is expected to significantly improve students' English speaking abilities, providing them with a strong foundation in the language. As these students develop greater confidence and proficiency in English, they will be better equipped to excel in their studies and future careers.

This initiative represents a major milestone in the ongoing efforts to enhance education in Narnoor Mandal and the wider Adilabad district. Through the collective efforts of TELC, ITDA Utnoor, and partner organizations, we are creating a brighter future for our students, one where they can confidently navigate the opportunities and challenges of the modern world.
